**STAND
FOR THE
LAND**

**BAINBRIDGE ISLAND
LAND TRUST**

Thanks to the generous support of an engaged, conservation-minded community, *Stand for the Land* has already permanently protected four amazing parcels totaling 66 acres. Now we're working to safeguard the largest endangered habitat area yet: 35-acre **Rockaway Bluff Preserve**.

This spectacular forested plateau is home to an array of wild creatures, including at least 82 bird species dislodged from habitat in the Seattle area, where more than 500,000 people have moved in the past ten years. We hope you'll stand with us as we work to make this opportunity a reality.
